

# Introduction to Plexus Law

Plexus Law is a specialist insurance litigation practice, created to bring a fresh approach to client needs. The highly respected team work with corporate & public sector clients, insurance companies, and the Lloyd's market.

Clients benefit from innovation in claims solutions with a commercial focus on delivery. Plexus Law has developed carefully tailored packages to meet specific needs stretching from a traditional relationship to the provision of a bespoke in-house service.

Plexus has a reputation for responding innovatively to client needs, utilising the experience of its staff, emphasising the highest quality and focusing on managing costs in all cases.

Plexus Law is part of the Parabis Group.

# Why Choose Plexus?

Here at Plexus we believe there are a number of very tangible differentiators that mark us out from the rest of the competition, make us unique and help us to achieve outstanding results for our clients. These include:

- As part of the Parabis Group Plexus can draw on the 'in-house' expertise and skills of many other related specialists across a broad range of disciplines.
- A demonstrated and enviable track record of quality assured results for clients.
- Experience in providing badged/white labelled services for our clients.
- Investment in people and training.
- Investment in technology: capability to build bespoke applications to meet client needs as well as market leading online services.
- 'Can Do' philosophy.
- Expert administrative support.
- National network of offices.
- Focus on cost containment and minimisation of leakage.
