

Public Sector Services

Plexus Law offer the full range of litigation and related services to local, police and fire authorities. We act for over 50 public authorities, including central government organisations across England and Wales.

We deal with inquests and public enquiries on behalf of local authorities and have specialist teams covering regulatory prosecutions and professional negligence.

We offer clients a cost effective service with emphasis on quality, value, transparency and flexibility to cater for individual requirements.

Comprehensive Service Portfolio

Plexus Law covers the full range of public sector legal services including:

- Local Authorities
- Disease
- Motor
- Emergency Services
- Catastrophic Loss
- Fraud
- Property

Additional Services

In addition, we aim to support public authorities' wider needs through training, rehabilitation services, specialist investigation and risk management. We are sponsors of, and active contributors to, regional and national ALARM conferences.
